Existing access

Name:

Stamm-Nr.:

Using the MAT database I take note of the following:

- The MAT database contains sensitive information,
- Evaluations are permitted for internal use only, furthermore you are not allowed to share dealer data with dealers, especially to engage in any anticompetitive behavior (e.g. concerted practice).
- This data in particular is not to be distributed to any dealer. Excerpts for dealers are possible, if those contain only sales figures of said dealer.

I commit myself to,

- Use the database for internal purposes only and not make it accessible to any third party,
- not make any comparisons to use for unlawful competition purposes
- not use MAT for any concerted practice, nor enable or support it.
- report my retirement from the company. I will not try to access the database via any means following my retirement.

I am aware, that usage contrary to this statement is followed by the revocation of the access and possibly labor law measures more specifically compensation for damages.
